

TUB INCLUDES:

- Cable waste and overflow
- Fully exposed tip-toe waste and overflow

Inspired by the late 19th century, the Andrea brings classic style and elegance back to the claw-foot bathtub. Modern and re-imagined, our claw-foot tub has been updated with sleek curves that speak to an earlier time. Featuring luxurious advancements in bathtub technology, this freestanding tub built for two is also made from HydroLuxe, a blend of organic materials and engineered composites. Visit <http://www.hydrosystem.com> for more details on our options and accessories.
